

## Dramarama 2013

---

From the beginning it was important to Thistle Theatre to introduce young people to theatre. In fact, of our 19 main productions, 13 have featured children. Dramarama, a programme for children in grades 2-8 has run since 1996. Every summer 20 young people spend 2 weeks learning theatre craft, creativity and self expression. Then we do it again for another 2 weeks. In all, close to 40 children benefit from the confidence they learn by participating in the Dramarama programme. Thistle Theatre has deliberately priced this programme to be affordable for most families. An Artistic director and counsellors from the community run the programme. Held in the air conditioned, Century old Town Hall in Embro, this programme is sure to delight your young person.
